

## THE RIDE OF THE HEADLESS HORSEMAN

SPONSORED BY STAR CHAPTER 395, CHICO AND RED BLUFF YAMAHA

*Legend has it that about 100 years ago, a young man was working at a sawmill near what is now the Tehama County Fairgrounds. He was thinking about his beautiful young fiancé, who he would marry in exactly one week. But, as his mind wandered his shirt became entangled in a drive belt and the steely blades of the mill decapitated the young man.*

*One week later, on what would have been the day of his wedding, a headless figure rode through the North State.*

*We invite you to mount your iron horses and join us as we retrace the route of this legendary rider.*

**When: October 25, 2008**

**Where: Registration from 9-10 am at Biker Bob's, 15430 Hwy 99, Chico. Last bike out at 11 am.**

**Cost: \$15 for the ride, lunch, and commemorative pin. Please make checks payable to STAR Chapter 395**

After the ride, we'll gather at Red Bluff Yamaha for music, good food, raffles, a show and shine and some tall tales.

The Ride of the Headless Horseman benefits BloodSource Network here in Northern California. This agency supplies blood for all of us here in the North State. Bikers are a helpful bunch, but we can't be everywhere. Blood helps the fallen rider recover from his wounds. It makes recovery a reality for the child who is ill. Blood *is* life. Please help us support this worthy cause.

For further information contact Dennis Duncan at (530)893-8910 or email [star395prez@yahoo.com](mailto:star395prez@yahoo.com)

To pre-register, send a check for \$15 to: John Marquardt  
109 Landmark Dr.  
Chico, CA 95973
